4 following:

5 "applicable and garage units or storage units, or both, shall  
6 have, in total, no more votes than their aggregate percentage  
7 of ownership in the common elements; this shall mean that if  
8 garage units or storage units, or both, are to be given a vote,  
9 or portion of a vote, that the association must add the total  
10 number of votes cast of garage units, storage units, or both,  
11 and divide the total by the number of garage units, storage  
12 units, or both, and multiply by the aggregate percentage of
